

That's the SLS!

NASA EXPERT TALK

PATRICIA MOORE

NASA's Exploration Systems Development
Mission Directorate's Outreach Strategist

NASA plans to land the first woman and the next man on the surface of the Moon with NASA's Artemis missions. Then, we will use what we learn on and around the Moon to take the next giant leap – sending astronauts to Mars. Learn about the upcoming Artemis I mission, and future crewed missions to the Moon. **Q&A will follow the presentation!**

Wednesday, December 7th, 2022

Virtually from noon to 1 pm PST
