

NASA Expert Talk

Dr. Caitlin Ahrens Planetary Scientist at NASA

Dr. Caitlin Ahrens Artemis is going to talk to us about the exciting challenges that Artemis will face, and how we can use what we learned from the Apollo missions. She will also talk about how rovers will be used alongside our astronauts and how NASA is preparing and testing methods to sample extremely cold ice before launch!

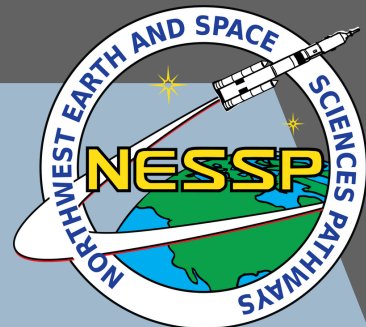

Q&A will follow presentation!

Wednesday Feb 14th, 2024
